2022 – 2023

Hamirpur, Himachal Pradesh

- Percentage: 88.40%

DAV PUBLIC SENIOR SECONDARY SCHOOL GREYOH –

2020 – 2021

Mandi, Himachal Pradesh

- Percentage: 74.00%

EXPERIENCE

Frontend Developer Intern – *BharatCrest* -

01 June 2024 – 31 July 2024 | Remote

- Developed and maintained the **official company website's frontend**, ensuring responsive and visually appealing UI.
- Built a **Billing Software** in **MERN stack** with features for product management, invoice generation, and secure data handling.
- Collaborated with the development team to optimize performance and implement best practices in **React.js** and **Node.js**.
- Improved website loading speed by optimizing assets and reducing unnecessary code.

PROJECTS

Billing System -

Tech Stack: Flask, HTML, CSS, My SQL, JavaScript.

Key Features:

- Designed and developed a **full-stack billing application** with CRUD operations for product management.
- Integrated database to store customer purchases and billing records.
- Implemented **automated PDF invoice generation**, reducing billing time by 40%.
- Enhanced backend logic for seamless invoice retrieval and storage.

Zomato Clone -

Tech Stack: HTML, CSS.

Key Features:

- Created a **responsive static clone** of Zomato's UI focusing on clean layout and mobile-first design.
- Designed interactive navbar, search placeholders, and categorized restaurant sections.
- Improved front-end skills and understanding of user interface design.

Photography Website -

Tech Stack: React.js, Node.js.

Key Features:

- Developed a multi-page photography business website with **React Router** for smooth navigation.
- Integrated dynamic image slider, responsive layouts, and contact form with backend API.
- Implemented **state management** with React hooks for dynamic content handling.

SKILLS

Programming Languages: Python, C, C++, JavaScript

Frameworks & Libraries: React.js, Node.js, Flask, Tailwind CSS

Databases: MySQL, MongoDB

Web Technologies: HTML5, CSS, Responsive Web Design

Tools & Platforms: Git, GitHub, REST APIs, Vercel

Other Skills: Problem Solving, Debugging
